Gunner laCour

Director

November 25, 2015

North Dakota Horsemen,

This letter is to provide you with information regarding two issues discussed at the last Commission meeting.

First, pursuant to Administrative Rule 69.5-01-09-02(4)(g) a foal registered by an owner who does not reside in North Dakota must be inspected by a North Dakota state-licensed veterinarian at the expense of the owner. A copy of the Racing Commission's Veterinarian Certificate for Out-of-State Owners has been included with this transmittal and can be found on the Commission's website. While enforcement of this rule may have been lax in the past, the rule will be strictly enforced for any foals registered on or after January 1, 2016. Any registration for a foal with an out-of-state owner not accompanied by the certificate of inspection will be rejected.

Second, per the motion of the ND Racing Commission (NDRC) at the November 5, 2015 meeting, the Commission has authorized offering a reduced fee on any license applications received sufficiently in advance of the 2016 racing season. Please find enclosed the early application fee schedule for 2016 and a license application form (also available on the Commission website).

The license fee reduction will apply to any application meeting the following criteria:

- A completely filled out application, a copy of which has been included in this mailing;
- A check or money order payable to the NDRC for the applicable fee;
- Application and fee postmarked by April 30, 2016.

Please make sure your license application has been filled out completely and signed prior to sending. Incomplete or unsigned applications will not be processed and will not receive the reduced fee. Sending in last year's license will also not be sufficient as the Commission must ensure all information on its licensees is up-to-date.

Please also be sure to include your email address if you have one. With this information the Commission will be able to quickly and easily provide important information to ensure horsemen are aware of any issues which may affect them.

In the event there are any questions or concerns please do not hesitate to contact us.

Regards,

A handwritten signature in black ink, appearing to read "Gunner laCour", written over a horizontal line.
